“ *It is so hard to believe that Aunt Mel is gone. I am comforted to know that she has entered into eternal rest with her Lord. I remember her saying that she hopes her wings are pink when she gets to heaven. I look forward to being able to see her again someday and pray that we will find comfort in one another and God's faithfulness as we continue on our earthly journey here below.*

“ Mere words cannot express what Melanie meant to our family. She became "one of us" from the start and we'll always hold her memory very close to our heart. When she, Brackey, and Skylar visited, it was a time of great joy and feasting. No one enjoyed pound cake more than she did. God needed a special angel so He took her to be with Him. We can rejoice knowing that she is with our Lord and we will be reunited again one day. Our prayers are with all the family members and friends. North Carolina family
