“ *Melissa was an active participant in the Day Break Club, and she was a friend. Once she saw you, her face would light up and she'd be so excited to tell you her most recent news. And, If you ever bumped into her, outside the club at the Square with her family, you felt like a celebrity, she would lavish such joy upon you. She will be missed by many, and by me, for sure! My condolences to her family who were devoted to her.*

“ *Dear Susan and Ron,
I am so sorry for the loss of your beautiful Melissa. It was my pleasure to watch her grow through her early years. She was Laura's friend and they were adorable little bluebirds in their ballet recital. May God grant you comfort as you go through these difficult times.
Much love,
Barbara*
