“ *Two years ago we brought my father to Florida to enjoy the rest of his life with us. His real enjoyment was playing billiards and admiring all the trees with the moss growing from them, which was so different from Texas. He was a loving and wonderful father who will be in our hearts forever. Thank you to everyone who offered their condolences to our family at this difficult time.*

Linda & Pat Lawless - October 01, 2014 at 12:00 AM
