“ It was with great sadness that we learned of Mac's passing. He has been our neighbor since we bought our home on Water Oak in 1997, and over the years has also become a friend. Mac was like our unofficial neighborhood watch patrol and his many daily excursions into our community were something that made everything seem to run as it should. Mac will be missed by all who knew him and our hearts go out to his family during this very difficult time. God Bless Mac and you, his family.
