“ *Dear Barbara, We were so sorry to read about Mel's passing in the Shelburne News this week. Our thoughts and prayers go out to you and your family. Mel's spirit remains strong in your old house. We have changed very little because it was so meticulously maintained and well-thought out. We continue to maintain the house to Mel's standard and are proud to have met you and Mel. When we moved in we had one daughter and now we have two daughters who are thriving in the house you and Mel raised your children in. With deep sympathy, Sean and Sandra Diehl*

“ *I have been Mel's optician for nearly 20 years in Burlington, Vt. As one of my favorite customers, there was no one more kind and generous than he. I will miss him greatly. I am so sorry for your loss.*
