“ I was the first friend that Mercedes made when she and Karl first moved here. I met her while she was waiting for Karl after golf. This was at the Chula Vista pool. We were fast friends after that and had many good years together being friends. I miss her every day. I have tried to get in touch with Karl over these past four years, but I have not been able to get in touch with him. If anyone reads this, perhaps you could tell Karl that I have tried many times to reach him. My number is (631)885-2990 and my name is Diane Von Brook. Thank you.

Love, Diane ❤️
