“ *In my memories you will always have long curly hair and be riding a surf board at the beach. It is hard to realize that we have grown older. Now you are with the Father and waiting for us to come meet you at that wonderful beach in Heaven. Mary and Sarah, we love you and we will continue to keep you in our prayers. Micheal I look forward to seeing you soon and my other family members, who are there with you. Rest now in the arms of Jesus, for the battle has been won. Love, Vera*

“ *Mike-- I had the wonderful pleasure of working with you the past 20 years or so, and becoming friends with you. I will miss your crazy, off the wall humor, and your fairness in treating our Members with so much respect-- you were an honor to our profession. Franklin Gray*

“ My dear Michael, I'll always remember that little mischievous boy, who loved to play jokes on us, go fishing and hunting with his dad and brother, and who always talked Pop Pop (his grandfather) into taking the family to Prince Castle for hamburgers and ice cream. You were loved then and all through your life; you are loved now and always will be. You are just that kind of guy--the kind of guy that always stood up for what you felt was fair and right. We know you are now in heaven with your loved ones who preceeded you there, pulling pranks and making everybody laugh. Put in a good word for all of us who are still here. Hoping to see you again when my time comes. Mary and Sarah, you are in our prayers. I'm sure Michael will always look after you in whatever way he can, but let us know if we can be of any help. Love, Marie (Aunt Tootsie)

“ Michael was a very nice person and a joy to work with. He was a key player in the start of my career at Walt Disney World in the Carpenters join apprenticeship program. He was a valued member of the union family and will be missed. My sincerest condolences to his family.

“ Mike was the best advocate for the people that I have ever been privileged to work with. A mind that could recall meetings that took place years ago and what every person said, a truly dedicated Shop Steward and Business Agent. But most of all, he was a good friend, who will be missed. L. S.

“Wow, I'm really going to miss Mike. His unselfish dedication to his Union brothers was unquestioned. Beautiful service today with both touching and humorous testaments to him. Smart, witty, passionate, dedicated, honest, and direct all come to mind when I think of my friend. Anyone who had the good fortune to know Mike has indeed had their life enriched, I know mine was!
