“ We first met Michael in May 2005 right after we closed on our house, were shopping in Southern Lifestyles and our sales lady suggested that her girlfriend's husband had a lawn service & reportedly did a pretty good job. Ever since he has been a good friend, enjoying talking about his life, his daughter's dog, having to sell his property on the St. John's River - and don't get him started on politics! Defintely a guy with definite opinions! Loved the discussions. Great sense of humor. He liked that I paid him in cash 'so he didn't have to ask his wife for cigar money'. He will be missed and we are so sorry for his family's loss.

“ We were so sorry to hear of your husband's passing. It was a pleasure getting to know him. We will keep you and your family in our thoughts and prayers. (we are your lawn customers)
