“ Mike was a humbled man and a great,great,great fisherman he had 10-13 fishing trophys. He had lots of brothers and sisters and a son named Michael. He enjoyed them anybody he met turned in to his friends he was a brother to animals.

Any fish he met turned into his friends basically because his last name was fish. Mike was the father to his siblings after his dad passed away. Mike was loving and kind and I will miss my Uncle Mike everyday.

“Mike your home in heaven. I was blessed with sitting at your side reading the Word and making you smile. I would still do anything for more time. I have lasting memories of us flooding my mind the memories will keep you alive in this world. You were always there for me all it took was a call or a look. You protected me, taught me and loved me more than any other big brother could. I can't remember a time we disagreed, I have only memories of happiness and sweet laughter. We were there for each other in time of need I know have to understand you had to leave. The Lord needed you and we have to let you go. I miss you everyday and look forward to the day we meet again in heaven. Take some time and fish those heavenly lakes. Catch that perfect bass it won't escape. I know your making your rounds up there, so many loved ones to see. Give daddy and grandma and grandpa Fish and grandma and grandpa Monroe a kiss from me. Big hugs all around to Mickie, Joe, Uncle Alvin, Aunt Una, sweet Delilah, Kathy and all our loved ones there. Keep an eye on me like you did when you were here. I need my big brother always watching over me. I love you Mike your the best big brother a girl could ask for.

“ My son Mike was an amazing man. He always told me he wanted to see his family he protected his 4 sisters and brother 100%. He was always with his dad riding from California to New York so many memories of our trips to and from New York to California. We moved from New York to here in Florida and left a lot of wonderful memories in New York but that was the plan before his dad died in a car accident in NY. Life was so simple in those days and Mike loved his life and just needed to be with the family. Mike and I had many good days going for treatments at Dr. Lee's in Orlando. I miss my son but am at peace knowing he is a Christian man and will be comfortable with his dad and nephew in Heaven. No more pain for my son .
