“ Bill never ceased to make us laugh. He always had something to say that would make people think. What a unique quality. We both enjoyed teaching " his girls" and when I went from LJHS/ CMS to LHS, he was one of the first to greet me. We even retired together. Please know you all are in our thoughts and prayers. We love you. Love, Jerry and Mary Ann Williams xoxoxo

A bright star in the sky, the breeze in your hair, a rain drop on your face, a tear in your eye or a big fish on your hook...death does not part. I am there for you always as an ear to listen, a shoulder to cry on, a compassionate hug and a friend to help you... whenever you need me...I will be by your side. Love you Boo! Dixie Palesch

“ We are very sorry to about your loss. I first met Bill when I bought some property on Smitty. It was a run down mobile home on five acres. One day I out cleaning up debris, and a gentleman walks over. Says I hope your cleaning this place up. That was Bill, he would come over every day and help, we had burn piles everywhere. So many the Lake county fire dept got tired of responding. He always would say "feed the fire".I became great friends like family with his wife Lou and two daughters Mandy and Franny. I think the only other people Bill loved besides his family were all the students he taught at Leesburg High. Im gonna miss Bill, and everyone will miss Coach Huber.

“ My condolences to Bill's family. When one works with people for 25 years, they live in your thoughts forever. Often, Bill used wit and teasing when giving me advice on the teaching of English and surviving school in general! I also remember how he tried to convince me (with Ken, Buddy, and others laughing in the background), that if on the drive over to Crystal River, the cows were standing- that meant the fish would be biting...and if they were resting-that meant the fish were not!!

“ *Bill and Lou Huber were long time family friends with my parents, Earl and Bitsie Burt. Bill was my high school teacher and someone I admired for his teaching ability and never ending wit. Some of my fondest memories growing up were with my dad, Coach Huber and all the LHS football, basketball and baseball coaches all getting together at our house to grill steaks. My prayers are with Lou and their family in this sad time. God bless!*

“ *We are very sorry for your loss of Bill. He taught both of us at LHS and coached Tommy on the Junior Varsity teams. What a character Mr. Huber was. Mr. Howard and Tom share alot of stories and were speaking of Bill just a couple of days ago about some of the crazy things they did years ago. His memory will live on. Rest in Peace.*

“ *Beyond this place of wrath and tears Looms but the Horror of the shade, And yet the menace of the years Finds and shall find me unafraid. It matters not how strait the gate, How charged with punishments the scroll, I am the master of my fate, I am the captain of my soul. Your Student. Pati Sears Burnett*

“ I've known Bill all of my life. We went through school together. Played football and ran track. Bill was the fastest person on the track. Running the 100 and 220 yard dashes. Such a great personality and just an all around good guy. Bill will be missed by all of the class of 1959. God's blessings to the family and friends. Bill is in a better place with God at his side.

“ It's odd how the loss of somebody you haven't seen in fifteen years can feel so profound but that just proves how they're woven into the fabric of your life. Coach Huber was many things to many people and I was lucky enough to be one of them. I always got the 'sharp end of the stick' from him, that's how you knew he liked you. His acerbic humor and sharp wit, of which I had a great fondness, taught me how to smile or laugh at the absurdities of this world we plow through every day. His coaching prowess when I ran track for him in the '70's had me reaching deeper within myself sometimes than I thought I could, and his method of teaching literature to a sixteen year old had you wondering why you didn't read more. But like every good teacher and coach all of these seemed to evolve into lessons on life and they've paid me countless dividends. So, thanks Coach. You've left this place a lot better for the people you've touched along the way, and I'm thankful I was one of them.

“ Mandy, I am so sorry to hear about your dad. I know how much he meant to you. He was a very special man, coach and teacher. Please know that I am keeping you, your mom and family in my prayers. I smile when I remember him asking us if we had our hall pass at LHS. I'm sure he was given a special pass to go right through those pearly gates. May you always smile when you reflect on your memories. Nancy Humes
