“ *Our most sincere condolences to the entire Hurst Family. We are very sorry for your loss. I have a lot of fond memories of Mike, mostly His laid back life style. I remember lots of hog dogs and hunting stories he always told me about whenever we came up for a visit and I'd stop in to say "Hello". We even went on an armadillo hunt one afternoon with the boys in the back of the truck. He will always be remembered and missed by myself and my family. And truly sorry we were unable to attend the funeral. Hope to see you all soon, Love: Dave, Michelle, Kaelyn, and Zachary Radebach*
