“ Dear Ann & Family, I am writing this letter to express deep sorrow for your loss. Mike was not only was a friend but a mentor. In fact, I shall always be thankful to Mike for all the mistakes he managed fix on my behalf. Mike was able to turn the worst business trip into a little party. I will never forget the trips to Thurmont and Japan and the countless hours we spent together in the Pilot Plant. Mike was one of the happiest people that I ever knew, in all the years I worked with Mike I cannot remember a time I saw him down. Mike and I were working on a piece of equipment and a bolt would not come loose, I said "how about a good yank", Mike's response was "he hadn't met on yet". I feel that your loss is a loss to all the people who knew him, he will be missed. John & Donna Slyster
