“ A wonderful friend. My husband and I lived next door to Mike and Linda for 25 years and we had many good times. We spent many late nights around the campfire laughing, joking and making fantastic memories. We made countless trips to Biloxi and Las Vegas where we would stay up late with our coffee w/ Baileys and eating peanut butter pie. Mike was a friend who was always there when you needed him and his sweet smile will stay with me forever. Condolences to his family and thank you to Cheryl for your loving care of him during his illness. We will miss you always Mike. God Speed.

“ Uncle Mike was a truly remarkable man who brought so much joy and fun into our lives. He had a deep love for fishing, the thrill of the casino, and the excitement of riding jet skis. But more than anything, he cherished his time with family. His laughter and adventurous spirit filled every moment we shared with him. We will miss his warmth, his humor, and his zest for life, but his memory will always live on in our hearts. We love you, Uncle Mike, and we will carry your spirit with us always.
