“ Michael said to me "You know we can run from each other for 1000 years and still wind up back where we belong." He will always belong in the very special place in my heart...we lived together for many years, been through ups and downs but, still were in touch...just two weeks ago he told me of a new album by TJ...now after listening to it, my heart aches even more. 'ciao bella, my dear sister....is how he always greeted me, so to you brother dear....love you, always...and Buona notte.....forever and ever, you will be missed

“ Michael, You will be remembered forever. Its because of you I had the courage to pursue my dreams and now i'm right back where I need to be on stage as a theater performer. I only wished you could have seen me, because you were a big part of my success through your encouragement. Thanks for being a great friend all these years. You are sorely missed everyday. Love you brother! - Todd
