“ *Jill and family I am so sorry for your loss. Please know that I am lifting you all in much prayer and love. You and Mike were so supportive of me when my husband passed and I will never forget how the Lord used you and so many others to help ease me through a very rough time. I pray that I can now do the same for you. You are loved Jill. May you and your family feel the love, prayers and thoughts being extended to you during this time.*

“ *What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, we may not understand why you left this earth so soon, or why you left before we were ready to say good-bye, but little by little, we begin to remember not just that you died, but that you lived. And that your life gave us memories too beautiful to forget.*

“ With deepest sympathy to Mike's Family. Although it has been over forty years since I last saw and talked with Mike, I will never forget his contagious smile and positive attitude about life. His photo says it all. He had not changed in all these years. It is an honor to have know such a person as Mike. He is fondly remembered by all of us fraternity brothers that knew him. “ *Dear Ruell family, I remember all of you from our Cedar Cliff days
and our football teams. I am so sorry to hear about your husband
and father. I have many memories of how supportive he was of
Michael and his daughters. Now, I suppose, is the time for you to
return his example to each other. I hope your thoughts of all the
good times overcome this sad one. Sincerely, Steve King*
