

Michael James Salas

February 10, 2000 - July 4, 2020

On July 4th, 2020, at the tender age of just 20 years old, the life of Michael Salas was cut incredibly short by a tragic accident. Ever since Michael was a little boy, he enjoyed taking his skateboard out learning new tricks, and loved going out fishing. He loved his siblings so much! Michael simply had the most loving heart and soul you could ever ask for.

Michael had such a fun personality, he could light up a room with his radiating smile. He absolutely LOVED life, and being in the country! Spending quality time with his family and friends was the ultimate priority!

This sudden and unexpected loss, has left a deep hole in the hearts of all those that knew him. Grieving the loss of a child is a process. It begins the day the child passes, it grows and grows, and ends the day the parent joins them.

Michael leaves behind a heartbroken Father (Orlando Salas), Mother (Randi Jo Lovett), Step-Mother (Jessica Salas), brothers: Anthony, Olie, Gabriel and Matthew, grandmothers (Elba Salas and Theresa Vielleux) and many aunts, uncles, cousins, and friends. We find comfort in knowing that he's with his Grandfather (Jurgen Mullenmeister) and brother (Noah Joe Lovett).

At this time, we are dedicated to showing Michael, just the amount of love and happiness he shared with us. And with his unexpected passing, time is of the

essence.

Michael's family is forever thankful to the love and care you showed him!

Michael, you will never leave our hearts, and you are FOREVER LOVED.

Until we meet again!
