“ It will be the little things that you will remember, the quiet moments, the smiles, the laughter. And although it may seem hard right now, it will be the memories of these little things that help to push away the pain and bring the smiles back again. Mike will always be as close as a memory, and the God of all comfort will always be as close as a prayer. He will be missed.

“ I had only the pleasure of knowing Mike for the past year or so. I can say from spending time with Mike at Troop 369, and the summer Camp we spent together last year, made me realize that Mike was a kind and compassionate Man. He loved the His family and Boy Scouts, spending time with his sons in the outdoors, and yes he was a Christian man, and I could tell by some of the conversations that Scout Masters have when you spend some time just talking, that he Loved the Lord and his family more than people realized. I feel in my Heart that Mike would want each, and every one that knew him to think back of the Great times that was shared and spent together, to remember that one day each and everyone of us will be at home, in piece, with Jesus and the father, at their right hands, never to suffer again. If he was to talk to you today he would say Enjoy life Have Love ,Trust & Faith in the Lord, He is Sovereign and will never leave you, He will never burden you more than he knows you can handle. After all, who knows you better than your creator. May God bless him in his new home, and his Family while they are here on this Earth, in their Eartly bodies. One day to be united with each other in the House of the Lord. Scout Master Robert Partain Troop 369

“ I have many memories (in the early days) of Mike as a member of Scout Troop 113. He was influential in much of our training. Capt. Allen Blair retired (Montana) I have very fond memories (in the early days when our children were younger) of many times of fellowship with our families. I am very appreciative of the kindness he and Phylis have shown to my grown daughters, Christy (Leschak) Yancey and Jennifer (Leschak) Meredith. I so enjoyed the many visits at his home and watching him interact with his children and mine.....he loved being a dad and that influenced me as a parent as well!! Our families go back 30 plus years. Mike's parents and brothers were always very kind to me...they always opened their home to us and made you feel like family! Our hearts are sadbut, we know he is in Heaven.....guarding the other gate across from our sonRobert!! God bless youKaren (McCullough) Blair, Montana

“ Dear Family I was so sorry to learn of Michael's passing. He will always be fondly remembered. I remember as kids how kind he was. I was able to correspond with him via e-mail a while back, and thankful for the opportunity of sharing old times..Nice memories... I wrote this when I heard of his passing and would like to share it here. OUR ANGELS Another Angel Lord? Taken in his Spring, while flowers bloom, and life begins. Wings unfurled for higher ground, to greet the song of your call. Bless our Angels in your care, the cherished memories we hold dear. Return them to us when we're blue, to lift our sadness and see us through. With every remembrance we embrace, the Angels love and smiling face, a life renewed. Love Cat
