

Michael R. Stone

December 8, 1952 - July 16, 2016

Obituary of Michael Stone

Michael R. Stone, 63, of Leesburg, Florida passed away Saturday, July 16, 2016 in Jacksonville, Florida. He was born December 8, 1952 in Sanford, Florida, the son of the late Gerald and Sheila Stone. Mike retired with 25 years of service in the Federal Bureau of Prisons. His career began as an intern in Terre Haute, Indiana. From there he transferred to Lexington, Kentucky where he met his wife Kathy, to whom he was married to for 34 years. From Lexington, he worked in various capacities in Otisville, NY, The Federal Law Enforcement Training Center in Glynco, GA, FCI Tallahassee, USP Atlanta, MCC Miami, and FCC Coleman, FL. He graduated from Garfield High School in Terre Haute, Indiana in 1971. He received his Associate's degree from Northeastern Oklahoma A & M, where he played football on a scholarship, a Bachelor's Degree from Indiana State University where he also played football and his Master's Degree in Correctional Administration from Eastern Kentucky University in 1978. He is survived by his wife, Kathy; son, Christopher of Jacksonville, Florida and daughter, Rachel, of Nantucket, Massachusetts; brothers, Matt (Becky), Naples, Florida, Mark (Susie), Oklahoma City, Oklahoma, Patrick (Jenny) Terre Haute, Indiana; Sisters, Jerri Barnard (Curt), Terre Haute, Indiana; Mary Monroe (Jerry), Terre Haute, Indiana. He was a Veteran of the U.S. Army, having served in Germany. During Mike's 21 years in Lake County, he gave selflessly to numerous boards

and projects. Among his most significant accomplishments was his tireless dedication to coaching youth soccer. He almost single-handedly built the Lake County Soccer League and the Hickory Point Soccer Complex to the level at which they are operating today. Mike spent thousands of hours coaching, maintaining the fields, refereeing and searching for donations and grants to ensure a quality program and playing fields for local youth. For the past 15 years he ran the Hickory Point Soccer Invitational which was the largest high school tournament in Florida. Again, he did it almost all of it by himself, putting in countless hours looking for sponsorships, making up schedules, arranging accommodations and maintaining the fields. For the past three years, the tournament raised enough funds to enable significant donations to the "For Kid's Sake Foundation," a non-profit organization supporting families who have children experiencing pediatric cancer. This Foundation was near and dear to Mike's heart and he supported it with tremendous passion. He reached out to a family who had recently lost a child to cancer and honored them at the tournament in December 2015. He always was the first to step up where there was a need. He coached JV Volleyball at Leesburg High School when there was a vacancy needing to be filled. He was instrumental in the Leesburg High School original gym floor project, leading the way in selling sections to raise funds for the Athletic Boosters. He served on boards for the Central Florida Sports Commission, The Educational Foundation of Lake County, The Salvation Army and Lake County Parks and Trails. He chaired the Lake County Public Safety Coordinating Council and the Miracle Field Committee, which recently dedicated a new field for special needs children. In January 2016, he took over as interim CEO of the Central Florida Sports Commission and was instrumental in coordinating and supporting key athletic events in Orlando and surrounding counties. His love of sports made this job extra special to him. Mike never missed his children's activities, including traveling to every away game, and often organizing rides, food and concession stand operations. He particularly loved watching them on the soccer field and the teams always new Mike Stone would be there either coaching or cheering

them on. He coached his children Chris and Rachel over the years and to this day, many of the children he coached tell of the positive impact he had on them. Mike's love of salt water fishing started while living in Miami and some of his happiest times were on the water with his family teaching them how to fish and catch lobster. He was a natural captain on a boat and thrived in that role. Mike left a legacy in so many places, including his career, volunteer activities and with his lifelong Terre Haute friends and Lake County friends, but most importantly, with his family. He was an amazing husband and father and will be missed forever. A viewing will be held Friday, July 22, 2016 at Beyers Funeral Home, Leesburg, FL from 6-8 pm. A service will be held on Saturday, July 23 at 11 am at Morrison United Methodist Church, Leesburg, FL. A reception will be held in the fellowship hall following the service. Burial will be Monday, July 25, 2016 at 11 am at the Florida National Cemetery in Bushnell, Florida, where he will be buried with Military Honors. For those who wish to honor Mike, donations can be made to the Mike Stone Memorial Scholarship Fund, c/o Educational Foundation of Lake County, 2045 Pruitt Street, Leesburg, FL 34748, or to the For Kid's Sake Foundation at www.MaliaCrushesCancer.com.

“ Mike put his hand in Jesus's and began his journey home; and though we cannot see them now, we know he's not alone. Believers have the comfort that their precious Saviour gives, that though our body dies on earth in heaven our soul lives! So take the Father's other hand, and let Him lead you on, he will comfort and protect you, as you try to carry on. Put all your faith in Jesus, He alone can bring you through, and when you reach the other side, Mike's waiting there for you. Our deepest sympathies to this wonderful man's family and friends. “ My heart breaks with this news. Mike was one of a kind who loved people and life. He was a person you could always count on. If he said he would take care of it, he did. I know he and Eddie, my late husband, are sharing memories with one another right about now. And I am sure Eddie was at the head of the line to welcome him to his new home on the other side of heaven. Mike had a heart as big as his laughter which was always catching. You couldn't help but feel happy in his presence. He was my boss and friend while working at FCC Miami and always had my back. I will cherish the many memories of time working and spent socially with Mike and Kathy. My prayers to Kathy, Chris and Rachel and all the extended family that you may know the peace that surpasses all understanding at this time. Love and blessings to all. Mike may you extend of hand of peace from time to time to all our lives. Roberta Swords.

“ Mike was a friend, a mentor, a great human being, an EXEMPLARY employee of the Federal Bureau of Prisons for 25 years. I started my career at FCI Lexington, Kentucky. From day one Mike took care of me like a brother, showed me the ropes, I was blessed to have been mentored by Mike. We both served proudly in the United States Army, and we would not hesitate to tell those who did not serve in the ARMY that we served in the oldest branch of the military! Of course that comment was met with many comments from those who served proudly in the other branches of the Armed Forces. Mike always called me and congratulated me every time I was promoted. He was good to so many of us in the BOP. Mike was always upbeat, there was never a problem in his world, he always viewed problems as a challenge to excel in the task or the mission. Mike was not your typical man, he had pride in every assignment, every day! He spoke about his family often and loved them ALL to pieces. His qualities were many, to many to list, Mike was a HERO in my world and so many others. He touched the mind and hearts of so many! God Bless Mike, Kathy, Chris, Rachel and all there family. “ I pray that Kathy, Chris, and Rachael will be comforted with all the precious memories of Mike. I have many memories that make me smile. One time I was very upset about something and I called Mike at work. He took out time to pick me up and just drive me around at USP Atlanta talking. I left much improved. I met him in about 1978 at FCI Lexington where we worked together. He was the life of the party no matter what kind of party it was. We worked together again at the Law Enforcement Training Center. He was a coworker who could be counted on. I have many memories of fun times with him and Kathy. Then the big event was the birth of Christopher. Through the years we have visited many times but even when we had not seen each other for long periods of time I would just smile when I thought of him. He was just an overall good person. My love to Kathy, Christopher and Rachael.

“ Kathy and Family, We have so many wonderful memories of Mike the Team player. He always was looking out for the best interest of everyone at Coleman. He was the first person that new staff met at Coleman and welcomed all. You are in our prayers and Mike will always be remembered with great fondness and love.

“ Kathy, Chris and Rachel, I was saddened to hear this news. Mike was a wonderful man, husband and father, and will be missed by many who knew him and who were recipients of his love and guidance. To us, he was everything soccer. He loved it so much and loved being there for the kids...his kids and so many others. Please accept my condolences. Love and blessings, Elaine

“ Mike was a fixture at FCC Coleman where we first met. He was a friendly guy and, by and large, easy to get along with. We shared many golfing memories as he was fond of playing with Steve Inger, Carlos Albizu and myself whenever Steve was in town. In times of crisis, he was, ironically, both the glue and the grease that kept things together and rolling along smoothly. Though the flame of his life has been extinguished, the light of his memory will shine forever bright.

“ On a fishing trip to Dale Hollow, Mike adopted me as the newest "rookie" who needed to be shown how to fish As captain of the boat he initiated me to the finer points of "navigation" and how to "enjoy life." Through that trip and many fishing trips to Canada and golf trips to Florida, I came to know a kind and gentle Mike whose friendship I treasure. At the recent wedding of Haley Merrill on Anna Maria, Mike proceeded to charm my wife, Carol, with his good humor and heart. Having a gentleman's tear and great memories of a good friend. Rest in peace!

“ I'm honored to have worked with Mike and his wife Kathy at MCC Miami. Mike was a tremendous leader as a (AW) that everyone wanted to work for. Always there to help you, always had an "open door policy", with his staff. Called everyone by their first name, funny, witty as can be. I attribute my success of 27 years with the Bureau to what Mike taught me. You will be sorely missed my friend. My deepest condolences to Kathy and the Stone family.

“ Just want to send my condolences to the family of Mike. I just read his outstanding obituary and it brought a tear to my eye about all the things he has accomplished with his wife, family, and friends! Mike a was a giver and a change agent wherever he lived and especially with the youth of America! His accomplishments were many but the people that knew him the most knew the most important thing his life was his family. As for my on experiences with Mike, I had the experiences of staying at the Stones house several times, enjoying the high school days together, and being in Germany as soldiers in 1973 and hanging out together...., and just in recent years speaking to him at the Indy 500! Thanks Mike for all the people you have impacted and RIP BROTHER!! Rick

“ I had the honor of working with Mike from 1996 to his retirement in 2013. He was one of the first BOP staff I met. He was one of the nicest people I have ever worked with. He was the first to step in and help. He was a true leader. After his retirement, no matter what community event we saw him at or how busy he was, he could run over to say hello, shake hands and get a hug. I have the greatest admiration for both Mike and Kathy. They have always been there for their family, their friends and their community. I am proud I worked with both of them and I speak for hundreds of BOP staff when I say: Mike was a good man, a great co-worker and a wonderful friend and mentor. He will be missed.

I got to know him very well after working with him in the Employees Club. He did wonders for the staff and planned so many activities and events for us. ,He was such a team player and would give you the shirt off his back. I then had the pleasure of working with Mike again opening up the new facility at FCC Coleman, again working with him in the Employees Club and training. I have never met a man with more energy, kindness and willingness to get the job done for everyone's benefit. He had such a love for his beautiful family and friends that I always admired. “ I was born and raised to serve others, not my choice, but God's wish. Having been around the block, and then some, I've had the opportunity meet and work with thousands of people. Although I might be somewhat arrogant, I consider myself to be an exceptional judge of character. I'm certain Mike was an Angel on Earth.
