“ If red roses grow in Heaven, Lord pick a bunch for me ~ Place them in Michaels arms & tell him they're from me ~ Tell him that I love & miss him, & when he turns to smile, place a kiss upon his cheek & hold him for a while ~ Because remembering him is easy, I do it everyday ~ There's an ache within my heart that will never go away. I love you Michael Tice. Your loving Half Aunt Jackie Sissy Bland

“ Sad to hear of your passing. You use to come to the house and hang out when you were in high school. You were a good kid. I dont know the reason that caused your passing, but I know God must have needed another angel. Godspeed

“ Mike, ever since I got to know you at TG's you were always the coolest guy. You always came out and hung with us when you got a minute of free time, and whenever we got to hang out you were always fun to be around and making us laugh. I'm not the most spiritual person but for you I honestly hope wherever you are you're happy. You won't be forgotten.

“ Mike, when I would tell you that "I appreciate you" it came from my heart. You were a good employee at Tailgaters. I will always remember the last time I spoke with you - you wished me a Happy Mothers Day and then shared some words that I have taken to heart. Please say hi to my other friends and family there in heaven!
