“ Billy, So sorry to hear this, I am still in shock. I can remember all the good times in the woods with Michael and the rest of the kids. Michael was just a big teddy bear, and loved tagging along after you hunting, Your pain is shared by all who knew him.

“ My prayers go up to the family of the wife and children of the father and husband that "GOD" called home. That we all will see again in heaven. 2 Corinthians 4:18 So we fix our eyes not on what is seen, but what is unseen. For what is seen is temporary. but what is unseen is eternal.
