“ My wife and I were saddened to hear of Mike's passing. For the past 6 or 7 years Mike bowled with us on our team. After bowling on Thursday we usually went out to dinner. He will be sorely missed by us and others who knew Mike. He is gone too soon.

“ To Mike's family and friends,

I was in Mike's Friday golf group and frequently rode with him in his golf cart as we played nine holes together. I always enjoyed his company. He never got too excited over a bad shot and just liked being out on the course. We also shared a love for bowling and often discussed how each of us was doing in our respective leagues. We also both grew up in NY and had lots of stories that we told each other. I was so shocked to hear that he had died. Please accept my sincerest condolences.
