“ Tig has been a friend to so many of us here in Umatilla. Although I didn't grow up here, when I moved here he was one of those people that made me feel instantly welcome. Always had a smile and a hug for his friends and a handshake for a stranger. He was an AVID Florida Gator fan!! On any given Saturday during football season, all events had to be planned around the game. He was even known to change his Gator shirt and hat at halftime if he thought it would change their luck. He had an old orange corded phone and he would sit it by his chair during the game and would pretend to call the coaches on the field to offer "pointers and suggestions" should his Gators need a little LOUD unsolicited advice. Groups of us used to go 4-wheeling in the ONF - making a whole day of it - and coming home almost unrecognizable from the dirt. He broke his leg on one such outing. He loved his kids. He loved his pets. And he loved Barb! My thoughts and prayers go out to Barb and his family during this difficult time. Tigger - you will be missed. So....until we meet again, my friend. RIP

“ Cousin Barb,
We were so sad to hear of Dan's passing. Our hearts go out to you as well as his friends and family. When you introduced us to Dan many years ago, we instantly saw how wonderful he was. He was always so kind to us and we knew right away that he was perfect for you. Please know that our hearts are with you as you heal from this loss.
Love to all,
Dana, Jim, Debby, & Craig

“ I would like to share our heartfelt thank you on behalf of the family for all the kind thoughts and prayers during this difficult time. We have opted for a private funeral of immediate family and close friends due to COVID so apologies to those of you that may have wanted to pay your respects. I hope instead that you will use this web site to share your thoughts or stories; how you knew Dan. Please keep us in your prayers. He was loved and will be greatly missed.
