“ We always look forward to spending time with Michelle and her family at the family reunion each year. She was such an honest, loving and humerous lady. Since her birthday is 2 days after mine we would joke about me being older; we just always left off the part about 20 years. Michelle will be greatly missed by all who knew her. Rest in the arms of Jesus, Michelle, until we meet again. Looking forward to that day.... Sharon

“ There are no words that can fill the void. Just know that we are sending you our love, and that we are here should you need us. It is my belief that she will always be a part of your lives and she will watch over each of you. When you speak to her, she will be there listening and loving. She is now with friends and family that passed before her. She is being well taken care of. Sincerely, Gail

“ Dear Scott and Girls I was deeply saddened to hear about the death of Michelle. I know how difficult this must be for you and the girls. You are in my thoughts and prayers. She was a strong woman with a very soft spot for her children. I will never forget how much fun she had with the kids at our reunions and running off to go look at puppies. I know how much you will miss Michelle. I encourage you to draw on your strength and the strength of your family. If you ever need someone just to talk to call me. May God bless you and your family during this time and always Your Cousin Lee
