“ Dear Kay & Dale,
My heart goes out to both of your in your time of loss. Kay, you were wonderful in your way of caring for your Mother and I know you did what was best for her at all times. I enjoyed working with both of your each year when we looked at her Medicare coverage. I know you all will miss her, but she is with our Lord and Savior and it does not get any better than that. She was so dear and special to me and such a sweet person. Loved her dog, too.
God bless you both and your family.
