“ Dear Laura, Brian & family, Your mom was a special woman. Very classy and soft spoken. Always kind to everyone. I enjoyed her presence and she loved it when Tinkerbell and I visited her. Tinkerbell knew she was "one of a kind" as she snuggled into her arms. Praying for your comfort in the days and months ahead. In love and friendship, Richard and Nancy

“ *Millie was my grandma. I didn't get to visit my grandparents often as an adult, though I will always treasure the cruise we went on together where grandma and grandpa were able to spend time with my two young children. My favorite memories of my grandparents, however, were set at their beautiful home with the bayou in the background, searching for turtles with grandpa and watching grandma spoil their dog with marshmallows. Wish I could be there for the memorial. Love you, grandma.*

“ *I will greatly miss my friend Millie. We were both going through some difficult times when we lost our husbands. We attended grief support at hospice and when that ended we started going to St. Timothy's grief group . I admired her ability to make changes when she thought they would be good. I admired her ability to drive all over the Villages. Most of all, I loved her and our friendship,*
