“ *We will miss you very much Aunt Meme. Your wonderful laughter, bright disposition and warm hospitality always made us feel so much at home near you. Your beautiful soul is now with your Lord and you are also now back in the company of your sisters, parents and other family. We know how much Uncle Bill will miss you and we send lots of prayers his way. Connie and Mike will miss you too. We have such fond memories of us as kids at Christmas together, up at the lake and at the farm. Our love and prayers are with all of you. Much love from Marvel and Ben*

“ *Millie was my 1st friend at Hope. Always with a smile and compliment. I loved her dearly and will always remember her in my heart as a loving, lovely, sweet child of God. I only now learned of her passing, and was so overcome by grief, that I didn't get to say 'goodbye', but then I saw that she is right next to me in Hope's Memorial Garden - so this is truly precious earth if I am near her. Thank you, Millie, for being my friend, for being such a loving example of what God intends us to be and the way we are to act towards each other. Until we meet again. Your friend, Jan*
