“ *Just a few words to tell you what a wonder mom she is. She raised 7 children mostly on her own. My father passed away when he was just 42 years old back in 1972 which left me and 2 brothers and 1 sister at home. she worked and I took care of the rest. Something I will never regret. We spent many nights laughing and sharing special things together. I am going to miss her more than anything I will ever miss but I will always feel her arms around me. Thank you mom and I'll see you soon, Love Sandra*
