“ I am so sorry for the passing of Mildred, my condolences to her Family. I know well the pain of losing a loved one in death. What helps me is remembering God's promise at Revelation 21:4-"And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." Very soon death will be done away with and we will see our loved ones again. I hope this promise comforts you during this difficult .
