“ *Dear Brian, Blair and Family, We were so saddened to hear that Uncle Milt passed away. He was easy going, gentle and kind and had a great wit and wonderful smile. Milt always found the best in people and his conversations reflected that. He treated others with respect and made us feel welcomed and comfortable at the family gatherings. His marriage with Aunt Sis was one of love and caring. We will always remember them together as a warm and giving couple who enjoyed their life with family and friends. Our condolences to the entire family for the loss of a wonderful father and grandfather who will be greatly missed. Our deepest sympathy, Sheila and Allan Kerner*

“*Dear Brian, Blair and Nikki, I am so sorry for your loss. Uncle Milt was such a kind, gentle man. I have such fond memories of him. I will never forget our family get togethers. I loved coming over to your house and listening to Uncle Milt talk about such interesting things. He was such an intelligent man. I know that he and Aunt Sis are together now and they are probably dancing with all of our relatives to some great Polish music in Heaven. Uncle Milt had a great smile and I always will remember him whistling. he had such an easy going personality. I was so sorry to hear of his passing. You are all in my thoughts and prayers and I hope that the wonderful memories that you have of him and your time together will bring you comfort during this difficult time. Rest in Peace Uncle Milt. You will never be forgotten.*”

“ Brian, Nicole, Blair and family, I am so sorry for your loss, and I am sure this is very difficult for all of you so soon after aunt Sis' passing. It just seems that Sis wanted Milt to be with her in heaven. I love this picture of uncle Milt. That is how I remember him, with a big smile on his face; and I always thought Milt looked like Robert Goulet. I remember Milt being so easygoing, never raising his voice no matter how much noise all the cousins were making. He was always a wonderful host and so welcoming to his home. He always seemed to be very happy to see us, almost as if he hadn't seen us in a long time. At least, that's how it seemed to me. Milt was a good woodworker and made his house a home. His house was fun, with a finished basement, a pool, a basketball hoop, a volleyball net, and a beautiful screened enclosure that he built for our many family parties. I particularly remember uncle Milt buying a black VW Beetle. He would take us for rides, and I loved the loud engine and watching him shift the manual stick shift. It made me want to learn how to drive a stick shift and own a car like that. Uncle Milt was a wonderful, kind man. I will miss him and feel privileged to have had him as my uncle. May he and Sis watch over all of you, as they are now joined together again. Both uncle Milt and aunt Sis have left me many wonderful memories. May God comfort you in your sorrow.

“ Brian, Nikki, Blair and family, I am so sorry for the loss of your Dad and my Uncle Milt. I have so many wonderful memories of him. He was such a kind, gentle and easy going man. I remember looking forward to our family gatherings and Uncle Milt would always take out the riding lawn mower for me so I could ride around the yard. I wasn't able to drive yet, and thought that was so much fun! I also remember going into his garage to see what he was working on and was fascinated with all of the little glass jars mounted to a peg board where he had all of his nails, nuts and bolts so neatly arranged. May the memories of your Dad comfort you during this difficult time. Rest in peace Uncle Milt....you will be greatly missed!
