“ Dear Charlotte and Family, We are so sorry to hear of your loss. Mitch was a true friend and we cherish the friendship we had. While I met Mitch working for the GFC, both Mitch and Charlotte took us in as part of the family and for that we are eternally grateful as we had moved to Florida from Oklahoma far from our own family. Please take solace knowing Mitch will no longer have to suffer and is now in a better place with our Lord and Savior. Charlotte and the entire Brown Family will be in our thoughts and prayers during this most difficult time. If you need anything or just someone to talk to please call 850-925-4668. “ How do we put into words the feeling of sadness with the passing of a very dear friend. How do we put into words the heartfelt happy memories our family shared. How do we put into words the journey because of our paths crossing. I/ we don't know. So Mitchell, to you, your family and your many friends that we are proud to be a part of, peace for a life well lived , good and faithful friend.
