“ *In Memory of Mollie also known as granny , who touched my life with her kindness and warmth. Her beauty and grace left a lasting impression on me. She was truly one of the most beautiful souls I have ever met, and her spirit will always be cherished. Her kindness and love continue to inspire and uplift those who had the privilege of knowing her. May her memory be a beacon of light and love. She is in no more pain and in a better place ! I was blessed to have gotten to know her for the years I was able to!
I love you , I know you're one of the most beautiful angels up there right now. You are free!*
