*Monty was a school mate of my two brothers in school and he and his family were my aunt and uncle's neighbors. My mother knew his whole family well and so did my sisters and brothers. Rest in peace Monty Dale (as we knew him). The video tribute was beautiful.*

“ *I worked with Monty as a fellow officer in Collier County. We made a lot of trips to Tu Palm camp by swamp buggy and patrolling the Big Cypress. Our favorite patrol was to head down to Lostman's River and camp out. We made some good cases together. Monty was a good man to work with and treated the public with respect. Off duty sometimes we fished together and play cards. He knew more card games than anybody I knew. Monty will be missed. May you rest in peace my friend.*

*Myself and Monty shared a duplex in Naples, Florida in the mid 80s. I was the Duty Officer for FHP when they were in Everglades City. Monty never did tell me his secret Snook holes!! Later in 2000 I had been a US Immigration Officer and moved to Everglades city until 2015. I drove to my office in SW Miami Dade. Now living in Saint James City, FL (Pine Island). While in Naples we played cards many times. I knew when Monty had a good hand because he would always light up a cigarette. Surprised he did not stay in Collier county when he retired. A good group of State Law Enforcement Officers AKA GFC. I remember Wayne also as mentioned above. Lost Man's River is about as peaceful as Graveyard Creek.*

“ I knew Monty when he was still in high school. The best way to describe him is in simple, but profound, words. He was an honest man. When nobody was looking and there was no one to impress, Monty always did the right and moral thing... and I can give no higher praise. David and the entire Hinkle family, I'm sorry for your loss.
