“ Grandad, I will spend the rest of my life cherishing all the memories I have with you! You are the best man I've ever known other than your son that you & Gran did such an amazing job raising! I can't wait to hug your neck again! I love you more than words can say!

“ Morgan I love you and will miss you so much. You were a wonderful brother to me and all your other siblings. We will all miss the get togethers we had for our fish fry/oysters gathering. These will be memories of you that we will always treasure. You no longer have to be sick, God has taken an amazing Angel here from earth. You are now reunited with Mom, Dad, Don and Randall. I know it's going to be a great celebration! I love all of you and miss y'all so much. Morgan we will be here for Lois and your kids if they need us, you rest and again, we all love you so much.###GESTURE###
