“ Dear Georgette, Michael, Gary and Brian,  
It is now 2 years after "Uncle Morris" passing. I just saw this obituary, and wanted to give my condolences. My parents, Fred and Delores Plastow, (with GMU/Avant, supported by Ebenezer Baptist) were good friends of your family. What I remember about "Uncle Morris" was his joyous personality, and that he used to draw sketches of animals for us. In fact, I just came across them again, and showed them to the 8-year old boy to whom I teach drawing classes. I am so sorry for your loss of a wonderful husband and father. I take hope that we will meet again on the other side -- in heaven with our marvelous Lord Jesus. (PS: My husband, Lary Strietel, and I are with Mission Aviation and live in Nyankunde, DR Congo)

“ Georgette and family,

*I am so sorry to hear about Morris's passing. Having just loss my father-in-law to Alzheimer's, I know how the disease takes away our loved ones before their body leaves this earth. I will remember him with much fondness as his sense of humor always struck just the right note. My thoughts and prayers are with you all:)*

*Love,*

“ *Georgette, we are so sorry for your loss. Moe was a wonderful man, I respected him very much. I will never forget the great stories he told, his wonderful drawings and the warm, caring, loving smile he always has on his face. He always made you feel better about yourself whenever he was around. I know my daughter's all thought the world of Moe and so did I. Though I did not get to see him in a number of years, he was constantly in my thoughts and so are you. GOD Bless you !!!*
