“ This morning the spirit said Annalee. My heart felt sorrow. I knew this was fate, I never look at obituaries from Florida. Little to my surprise it was Wayne. God was calling me to tell you I am so terribly sorry for your loss of your great husband. I had great times at the thrift store, especially you, talking about our faith in Jesus. I was cleaning the silver on the floor and you was always untangling necklaces. Each year, I go down and ask Wayne how you are and ask if you ever worked. Sadly we never got to reconnect. There will be a day, that we will all be together again. You have been very special to me. Thank you for loving me, when I was going through those bad times. Shirley Bonynge

“ I still remember the first time I met the Wayne Freeze family When Jerry was a member of the class I had the privilege of teaching at First Baptist in Leesburg. I will miss Wayne and his wonderful smile and personality. Mrs. Freeze (Annalee) you are a very special person that his legacy will continue to shine upon us all because of you. Annette and I send our love and prayers to you during this time. It ok to grieve but remember the ones that still love you all and the wonderful family you still have on this side of Heaven. Bless you all Annalee, Jerry, Crystal and your families.
