“ Greetings Loring and Mary,  
*I was so sorry to hear of Muriel's death .Your Mom and Dad were such special friends to Lois and me over the years. We looked forward to their visits to RI after they moved to Florida. Breakfast at Eggs Up was like "old home week" as everyone knew them. Muriel was such a gracious lady who cared for people. She loved and was proud of her family and was a devoted "soul mate" to Loring. They were such a happy, loving couple. Muriel made everyone she came in contact with feel like everything was OK. She radiated her faith and together with Loring was an example of "Faith, Hope and Love". I'm sure she is a special addition to Loring's Heavenly Choir. May God comfort you and surround you in His love in the weeks ahead.*

“ *I worked with Muriel at Central for many years. She was a very sweet and caring person. I was awed by her calmness in dealing with 5 year olds! She will be missed.*

“ I worked with Muriel for several years as Principal at Central Elementary. She was a classy person and a wonderful teacher. Muriel was a role model for all of us to emulate. She did her job with dignity and class. A wonderful human being who never sought the spotlight and never complained. We have all lost a great one.

*My condolences to the Chadwick family.*
