“ *I only knew Muriel through TOPS, but her wonderful sense of humor (especially when we did not like what the weight scale projected)- I felt like I knew her a lifetime. She always asked how my granddaughter was, as well as my family. She will be missed. I will miss her sitting opposite me as we weighed in our friends at TOPS. To her husband and her family, I send my heartfelt condolences.*

“ Dvid and Bob, I am so sorry to learn of your loss. I remember Muriel as a kind lady who was one of the room mothers for our 3rd grade class at Welch Elementary in 1979-80. (Bob, I also remember you being an assistant coach for a little league team on which David and I played.) Our thoughts and prayers are with you at this time. Bob Stolz Xenia, Ohio

“ Bob and Family: Muriel was a very special person to me. I enjoyed 4 wonderful years with both of you while we were in New England. I will always remember spending holiday's with both of you and the Ellises. The ladies night's when we did crafts and all those special times that Muriel and I would go out for lunch and to the Christmas Tree Shop. I am proud to call her my friend. Bob as I have said these past few times on the phone you are in our thoughts and prayers. We are looking forward to seeing you in August. Lilly and Miranda-your Grandma always talked about the two of you with a smile on her face, always had pictures to show of you. She was a very proud Grandma. David and Julie-your mom always spoke kind words of both of you. I know she was excited to move closer to you and the girls. Peace, Love and Faith to all of you.
