“ Hi Sharon and family, I am sad to hear of Myra's death. I have so many good childhood memories of spending time with Myra and Carl. At their home in Floral City, I looked forward to riding Myra's three wheeled bike and learning from her how to crochet tea cups and afghans. As a young child, I observed all the laughter she brought to the adult card table and found her to be very entertaining and fun. I loved her smile and really enjoyed being around her. I am offering prayers of peace for your family during this time. Pam Eckstein Guillen

“ Sharon, I have only fond memories of your mother. We would all spend some Sunday's at my grandma and grandpa Shaffer's in Arcadia. I remember your mother would play the piano after everyone talked her into it. I always enjoyed that. I fell in love with her laugh. She was a joy to be around, may she rest in peace. Jim Shaffer
