

Myra Ann Hoffman

March 19, 1971 - February 2, 2026

Myra Ann Hoffman of Tarrytown, Florida passed away on February 2, 2026, in Tampa, Florida. She was born on March 19, 1971, in Clermont, Florida to Judith Reed and Charlie Love Jr. Myra was known for her honesty, loving heart, and her natural ability to make everyone around her feel cared for. She had a warm, nurturing spirit and was often described as “a mother to everyone,” always offering comfort, encouragement, and kindness to those she loved. She found joy in the simple things in life, including crocheting, reading, cooking, and watching sci-fi movies. Myra loved taking trips to the farmer’s market, spending time with her family, enjoying her cats, and never passing up a good cup of coffee. She dedicated six years of her career working for the Pasco County Supervisor of Elections, where she took pride in her work and serving her community. Myra is survived by her loving husband of 13 years, Randall Scott Hoffman of Tarrytown, Florida; her daughter, Carrie Slonaker of Claremont, California; her son, Tyler (Alexie) Smith of Tarrytown, Florida; her stepdaughter, Zia Hoffman of New Port Richey, Florida; and her stepsons, Zechariah (Jessica) Hoffman of Bushnell, Florida, and Leland Hoffman of Tarrytown, Florida. She was preceded in death by her mother, Judith Reed; her father, Charlie Love Sr.; and her son-in-law, Daniel Slonaker. Myra’s kindness, strength, and loving presence will be deeply missed by all who knew her and forever cherished by her family. Services will be held at Purcell Chapel on February 7, 2026 at 11am, with a visitation starting at 10am. Condolences may be sent to the family at www.purcellfuneralhome.com.

Arrangements have been entrusted to Beyers Funeral Home- Purcell Chapel,

“ Myra was a bright light that was always willing to do anything for anyone. I had the privilege of working with her for the last 6 years. We shared many great times and the not-so-great times, but she was always smiling. She never shied away from participating in our Halloween themes or any of the crazy antics we come up with around here, always willing to have a good time. One of my favorite things about Myra was the way she talked about her family. They were truly her world. I will miss you dearly, rest easy.

“ I have worked with Myra going on three years now. In that time we had plenty of conversations about all kinds of topics and it was evident that Myra was kind, smart, funny, loved her family and was very knowledgeable. In those conversations she would do her classic hair twirling. Knowing Myra in this short time, the news hurts. My heart goes out to the Hoffman family and friends.

“ *This picture of Myra smiling and twirling her hair is how I will always see her. I’ve known her most of my life, and I’m so grateful God placed her in my path—first as a friend and later as a coworker. She was loyal, dependable, and always gave her all, especially for her family. She loved them so deeply and was always so proud of them...you could hear it every time she talked about them. I just can’t imagine life without her. I will miss her smile, her heart, and her presence more than words can ever express. She was truly one of the hardest workers I’ve ever known, and I know Heaven gained one of the very best angels.* 💔🙏

“ *Myra was a beautiful human being with a heart bigger than most people I've ever met. She was more than my best friends mom, she was my mom sometimes too - when I just didn't have a mom around. I wish I knew the last time I'd hug her when I was a kid. I'd have held on just a bit tighter for a bit longer. You will be so very missed, Myra. Thank you for being who you were and loving like you did.*

“ *Myra was one of the sweetest people I have ever had the pleasure to have in my life. She always gave me the best hugs and made me feel so loved every time I saw her. God was ready to take one of his precious angels home to be with him. She will forever be missed but I know I will never forget what a treasure she was to have on this earth.*

“ *We haven't met Miss Myra in person, but even through video chat you could feel her warmth and kindness. She loved all her children even the unofficially adopted ones. My husband and I are so grateful to have experienced her love even though it was through a computer or phone screen. We all will truly miss her.*
