“ *Myra was a cousin, and we liked her very much. We loved her parents and brother very much, and saw all of them often. Although I have not seen her for years, her memory is for a blessing.*

“ *Dear Dick, Michael, Danielle and the dearest cousins and grandchildren,
I have so many wonderful memories growing up with Myra and the entire family.
It seemed like we had so many celebrations at your home on Streamwood Drive.
And we would celebrate the Jewish holidays with everyone at my mother's house.
Myra Lee was such a loving cousin and had a generous big heart. i am sending healing thought and prayers that your tears will turn into smiles as you remember all the love and wonderful times with Myra Lee.
Love, Amy Stein*

“ Dear Dick, Michael, Danielle and family, my heart was broken when I saw the news of Myra’s passing. She was like a big sister to me growing up. She got stuck babysitting me a lot and never complained. She was the most warm loving , giving person. I hope that your loving memories of her will bring some comfort to you. I hope she is with her parents, her Aunt Pearl and her dear Delores.

“ Dear Dick, Michael, Danielle & Family. Myra would tell everyone that we have known each other and been friends since birth. Growing up next door and always being there for each other in the good and not so good times also made us “family”. Since she and Dick moved to The Villages, we looked forward to my annual 2-week visits, which never seemed to be long enough for either of us. Her family was most important in her life followed by her many friends. She was always the first one there to help when someone was ill or needed assistance. She was totally selfless, putting others’ needs before her own. Due to her stubbornness and determination, she beat the odds and continued to enjoy many years traveling, hosting dinner parties, and enjoying many social activities in The Villages. She was able to check off many items on her “bucket” list because she lived life “her way”. Myra was truly the best person I was privileged to have in my life. Rest in peace my forever “sister-friend” and BFF. Love, Barbara (“Bobbie”).
