“ Dear Carl, Denise and family, Neal and I were so sad to hear about your mother. I was in Colorado and just got the news over the weekend. She was a beautiful lady and I enjoyed the few conversations we had. She had a great sense of humor. We are so sorry that you all had to say "good-bye for now". May her influence and the love of God sustain you. Sincerely, Tonia and Neal Hayes

“ I never had the opportunity to know Mrs. Munn on a personal level, however I did get the chance to meet her a couple of times in passing. Sometimes when you meet people, you can tell instantly if they have good/evil in their heart. With Mrs. Munn, I truly felt that I was in the presence of a wonderful woman. We have lost an angel on earth but she was sent home to serve a greater good. Rest in peace Mrs. Munn

“ Dear Munn family; I am so sorry to hear about Myra's passing. In fact, I was just going to call her as I had not spoken to her since last fall. Wayne and I enjoyed knowing her and socializing with her through our Department 56 gatherings. She was a lovely lady and a joy to be around. My thoughts and prayers go out to you in the loss of your loved one.

“ All of us have happy memories of Aunt Myra and our late Uncle Aubrey especially visiting them when we were children and later as adults. For me as a small child, I recall the restaurant and amazed that we could have both pie AND ice cream for dessert!! And Aunt Myra said we could have seconds! ...Playing in their pool and later our wonderful visits and long talks together as adults. I smile when I think of her. At the same time now, we are deeply saddened by the loss of Aunt Myra and feel the pain of her loss even though we are miles and miles away. We will miss her terribly. We especially grieve for Carl and Denise, and all of our cousins; Jerry, Clyde and their families and all of her colleagues and friends in Leesburg. Despite this sad time, we are comforted by her belief in God. 2 Corinthians 1:3-4 "Praise be to the God and Father of our Lord Jesus Christ, the Father of compassion and the God of all comfort, who comforts us in all our troubles, so that we can comfort those in any trouble with the comfort we ourselves receive from God."

“ Thank you for sharing your Mother with me. It's true she only has one son, however, i have to say, she made us all feel like we were her children. She use to remind me, when time created a distance between us, " Kay, you may be out of sight, but you are never forgotten". Mrs. Myra, you were a gift, and you will never be forgotten. Respectfully, Love, Kay
