“ What an amazing person and what a remarkable life. We feel so lucky that we got to know Nancy. Nancy blessed so many people with her faith and kindness. Praying that you'll find comfort in your memories of her and in the knowledge that others are missing her, too. Nobody could tell a funny story like your mom. Remembering all the funny stories she has told us. Our faces would hurt for a full day after from laughing so much. We'll always cherish those memories of fun times spent with her. Can't forget the laughs we shared and places where we spend our glorious times. Nancy will always be there in our hearts. We love you all. Blessed are those who mourn, for they shall be comforted. Matthew 5: 4 God bless you and comfort you, Michaelle Goodrich and Dolores Miller
