“ We are very sorry for your loss. Praying for comfort and strength for family and friends. I have many good memories of times spent with Nancy when we were young and in school and 4-H together. We were in the Tom Thumb wedding before Nancy even started school. There should be a picture of that somewhere. Mrs. Barber was our 4-H leader for a while, and we had meetings at her house and played in the yard until Mama came to pick me up. I hope your memories of the good times bring you peace of mind. God bless your family.
