“ Even though we didn't know Nancy personally we would still like to extend our deepest condolences for your loss. We would also like to share something that has brought us comfort in the past. The bible brings us comfort and hope for the future. It also shows that there is a real hope for persons who have faith. (John 11:25)
Rev. 21:4 "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away."

“ What a fun friend Nancy was when we lived up the street from her in The Villages. Especially fun when we discovered we lived a short distance from each other in Kansas City. I'll always remember her smile and positive attitude.
