“ I remember your wedding and the joy on both your faces that day, Bud. I was only 8 or so but I was thrilled to witness and to share your excitement and love. All these years, I've watched that love and joy continue to grow, and your commitment to each other be a model for marriages everywhere. It's a standard you both set for all of us. I think the memory I'll always treasure of Nancy was her smile. She glowed --which made everyone she met smile...that's quite a beautiful legacy. What a wonderful woman!
