“ Nancy will be greatly missed. She always had time to chat and laugh. She had endless gardening tips and was always happy to share her veggies and flowers. I'll always remember all the amazing things she taught me about my new home here on our Island. Our world has gotten just a little less bright with out her. We love and miss you Nance. Cheers!

“ Nancy was a natural beautiful lady I've known for years. So many memories at her and Tom's parties and they were always so good to us. We love her and will miss her. Her and Tom loved eachother so much. You could always see this. The last I saw her was at our Son's housewarming party and they bought Senjun a beautiful clock that will be cherished. Sincerely DeeDra, Trent and Senjun Sullivan. So sorry Tom...❤️
