“ Dear family of Nancy Manieri : I was sorry to hear that you lost your dear wife and mother. Losing someone you love in death is one of the hardest things that anyone will ever have to deal with. We have a great hope for the future because God promises to bring the dead to life by means of a resurrection to a paradise earth, where sickness and death will be no more. I hope this brief Bible message has brought you a measure of comfort in this difficult time. S. Johnson
