JS

“ Our thoughts and prayers are with you through this sad time, but be assured that Nancy is in heaven with Joe and will be watching over all of us. We only knew her for a short time, but loved her from the very first day we met. She was a very special person and will be in our hearts forever.

“ Nancy was a wonderful lady. I often saw her walking her dogs in the morning when I went for my walk and we would chat. She was always upbeat and enjoying her life and family. She will be greatly missed in Water Oak. Velma Tomanio

“ We shall all miss Nancy. She was an inspiration to us all. She & I were diagnosed with cancer at the same time - hers much more serious than mine. We kept track of each other. I'm happy for Nancy - she's with our Lord. I'm so sorry for your loss.
