“ *What can you say about Mrs. Nancy? A beautiful, funny, loving, true friend! We had so many great times with she and Pastor John. They were both such a great team and a blessing to us and to our marriage. What a wonderful example of Love. We are better for having spent years serving the Lord with them, and for simply knowing them! We remember how spunky she was and we remember the times she couldn't get out of bed, but she never quit. She loved her husband with all her heart and never had a problem telling anyone he was her knight in shining armor! She loved her boys as well and always had a story to tell us and if she didn't have a new one, she'd tell us an old one! If we could do something to honor her today, it would be to tell her boys to Love the Lord and be absolutely sure you "know" Him. Don't wait another second, this is a crazy world we live in. We are not guaranteed another second. Find a good church that preaches the truth, like Countryside does, and go there. When it's time to go Home, make sure you know where you are going and your Mom will be waiting with a smile and open arms! What a wonderful day that will be! We love all of you, we grieve with you and we celebrate Nancy Stricklen and her life with you! Love Frank and Paula*
