“ Mrs. Wesley was such a lady. Being friends with the Wesley family and knowing how much they loved their mom, she will be terribly missed. This saying is trite but true: "Don't cry because it is over, smile because it happened." How lucky they were to have had such a remarkable person in their lives!

“ *Margaret would come to my office door upon each visit to the nursing and rehab center. She always brought a smile, a cake and small gifts. She would be a routine part of monthly birthday parties for the residents at the facility. She brought a small bit of happiness to those who were sick and elderly and forgotten. She and I would remember. I remembered the times I was always welcome in her home as teen, hanging with daughter, Ann. Even though she had 6 children at home, she always made room for a few more kids. She was a "super" mom, I thought, at the time. My opinion has never waivered. It is a happy day for her to be in heaven with God, Jim, her parents, her grandson, and husband. Love and prayers to the entire Wesley clan. "We love because he first loved us." 1 John 4:19*

“ I just found out about your mom. Every time I went back to Leesburg I went to visit her, she always made time for a visit with me. She was so helpful to me when my mom was in the hospital before she passed away. She had one of the most peaceful voices and seemed to be able to make the hard times seem not so hard. She will be missed by everyone that knew her. God bless. Sandy

“ Linda, Tim, Ann, Steve & Wanda Just heard about your Mom's passing and want to send my heartfelt condolences. I have so many special memories of her and your whole family on North Shore Drive. John and Cathie still talk about your Mom's sweet tea and all the special times they spent at your home growing up. Margaret was the epitomy of the loving "Mother Hen" with her flock of little Wesleys in tow. We were blessed with her friendship and presence.
